

Must Haves for Launch

Homepage:

Jobs to be done:

- Make it immediately clear what Campfire is
- Speak directly to your ICP (lean HR/talent teams at distributed mid-market companies)
- Show proof (logos, testimonials, outcomes)
- Make it easy to book a call

Key sections:

- Hero (clear value + who it's for)
- What Campfire is (simple snapshot)
- How it works (your flow: Content → Conversation → Application → Reinforcement)
- Who it's for (lean teams, distributed companies)
- Proof (logos + 1–2 short testimonials)
- Clear CTA (Book a call)

Solutions:

Jobs to be done:

- “What problems do you actually solve for leaders/HR?”
- Why Campfire vs. other options
- Basically, “what we help with”

Organize around:

- New manager readiness
- Leading through change
- Building belonging & psychological safety
- Manager effectiveness
- Team alignment

Content:

Jobs to be done:

- Explain why we're different
- Showcase our content

Key sections:

- Our approach/philosophy of leadership development
- Frameworks we use
- Our learning model (live, interactive, practical, peer-based)

- How our content is different from e-learning
- A teaser of:
 - Bundles
 - Library
 - Custom sessions

Customers:

Jobs to be done:

- Social proof
- Showcase our customers
- Share success stories, testimonials

Key sections:

- 3–5 short case studies (even if light)
- Logos of customers
- 2–3 pull quotes from real people

About Us:

Jobs to be done:

- Share who we are and why we exist

Key sections:

- Who Campfire is
- Why we exist
- Mission, vision
- Our story in 2–3 paragraphs

Contact page

just make this boilerplate for now

Blog:

Jobs to be done:

- Introduce newsletter
- SEO rankings
- Relevance

Key sections:

- We'll just link to our beehiiv site
